

NITTR Kolkata has been conferred Deemed to be University status under Distinct Category by the Ministry of Education, Government of India. This prestigious status underscores NITTR Kolkata's commitment to fostering technical teacher education, nurturing technical teacher capacity-enrichment initiatives, and facilitating cutting-edge research across various unique and emerging domains.

Our institution is empowering the technical teachers, students and others with the requisite skills in emerging technologies, for the cultivation of teaching prowess, so that our trainees and students are well-prepared to assume roles as exemplary educators in the future. The curriculum is meticulously designed to encompass multi-disciplinary holistic education, incorporating insights from the rich tapestry of advanced pedagogy, Bharatiya knowledge systems and addressing the latest developments in diverse technological realms. Each program is crafted to be skill-centric, aligning closely with the core tenets of industry-oriented education as per the National Education Policy 2020.

Furthermore, learners at NITTR Kolkata benefit from various Centres of Excellence at NITTR Kolkata namely Prafulla Chandra Ray Welding Centre, Curriculum Development Centre, Learning Resource Centre, Product Development Centre, CAD/CAM Centre, and other leading industries that can foster practical, hands-on learning experiences.

On the occasion of this momentous journey, Prof. Debi Prasad Mishra, the Director, of NITTR Kolkata extends heartfelt gratitude to the Ministry of Education, Government of India, for their unwavering support and recognition of our relentless pursuit of excellence. As a NITTR family, we are dedicated to empowering the next generation of educators, society builders and innovators, driving positive change and transformative impact in the present society.
